

BORDLEY TOWNSHIP PROJECT

WHAT WE DID TODAY

30th December 2013

Committee meeting

52 Beckwith Crescent, Harrogate

During this meeting attended by Bob Barker, David Leonard, Ann and Stuart Wilkinson and Janis Heward the following points were discussed:

The **Bordley Chapel** and the **Chantry Chapel**

Helping another group out – geophysical survey to locate the position of a chapel

Celebratory Event to mark the end of the project to be held in June 2014

Project publications:

Walk leaflets – Val and Wally and Bob

DVD – Janis

Publication – edited by Peter

Visit to Bordley Hall Farm – guided walk

Building recording – to begin ASAP

Festival of British Archaeology – a series of walks, opportunity to see archaeology on otherwise private land

- Coke Clamp
- One of the walks designed for the walks leaflet

Survey Week –

- geophysical survey at Bordley Town
- topographical surveys in the north of the township

Displays - two sets of displays at Archaeology Day school in Grassington May 26th 2014. Help needed setting up.

- BTP
- After-School archaeology Club (based at Upper Wharfedale School)
